

# Winter Wonderland

The most wonderful time of the year is approaching! It's time to put on your party hat and embrace the magic of the season. Join us at Winter Wonderland hosted by the elves of Girl Scout troop 50106. Listen to stories while sipping cocoa, make reindeer food, decorate cookies, make a present for someone special, do crafts and play games. We will have 10 stations of activities for kids to enjoy - even a reindeer-cam! Kids should wear clothes that can get dirty!
